

Dear Friend:

I am assuming you have found this letter in one of my books, videos or Bible, or on my computer desktop. I am also assuming that millions of people, including myself and my family, have disappeared. The news is probably “proving” to you how it was aliens who took us away. Or, perhaps one of the “enlightened ones” has come and explained how all those of us who disappeared have been taken to another place...maybe to be “enlightened”. Or, there may be an entirely different “reason” they are guessing at. **Do not be deceived! This is NOT what has happened!**

If you are reading this letter, it is because God has placed it in your hands. **Do not take this lightly** – you now have 7 years or less to make your decision: will you choose God and live eternally with Him? Or will you choose the man who has set himself up in the world, in the place of God, and is now, or soon will be, demanding full allegiance to him by receiving his “mark”? THIS man is from satan (yes, he and God both really do exist. No, Jesus is NOT satan’s brother, but God’s only son.)

Choosing God and His offer of salvation, through believing in and accepting Jesus’ death on the cross and resurrection, will bring you physical death – Christians who accept Jesus as their Savior will be severely persecuted and killed during these next 7 years, many by means of beheading. *But, after death, you will live with us and Him in heaven for all eternity.* Yes! Heaven is very real. **It is where all those who have disappeared have gone.** It is a place of peace, beauty, love, the very presence of God Himself...everything you’ve ever thought of that was good. And much more! But, ONLY those who accept Jesus as the ONLY way to salvation will go there. Allah is not God. He is a counterfeit. Buddha is not God. Nor any of the other “gods” man worships, particularly the man who becomes “king” of the earth during this time.

Choosing the man who sets himself up as the ruler of the world, and receiving his “mark” will give you life on earth...at least for a few years. But, making this choice will align you with satan, rejecting God. **This choice will send you to hell when you die. God did not create hell for man, but for satan and the angels he deceived into leaving Heaven and following him. God does not “send” you there. Man makes his own choice: choose life (with God) through Jesus, or death (with satan) by rejecting Jesus. There ARE NO OTHER CHOICES!!**

I don’t know who this ruler/man will be – he will not come to his position until after we Christians disappear. But, you will be able to identify him as the one who signs a 7 year treaty with Israel and other countries, probably the Middle East countries. All eyes will be on him, he will seem to perform miracles! He may be a man known already to the world, he may be an “alien”. (Do not be deceived: “aliens” do not exist. Satan’s followers – demons - do. They have invented the whole “alien” idea. **These beings are nothing more than demons in flesh.**) When he first rises to everyone’s attention, he will be highly intelligent, calm, full of wisdom, completely charismatic – people will be drawn to him in huge numbers. **He will be the man that seems to have all the answers, who will finally bring “peace” to the earth. Do not be deceived by him!**

I don’t know what mark, or tattoo, or other identifying symbol he will set up as his. This may be a tattooed design (probably very cool looking) with RFID code in the ink, or a design with a tiny capsule injected below it. I don’t know what form it will take, but eventually, it will be **demand**ed that you take it in order to buy or sell ANYTHING, including food. **The mark will be put on either your hand or your forehead. I DO know that, if you take this mark, you will NEVER again be able to change your mind. The elements of this mark will literally change your DNA, combining your humanness with satan’s DNA, making you essentially a hybrid of both. You will have broken your final chance to receive life through Jesus, and condemn yourself to live forever in Hell, along with satan, the demons and all other men who have made this choice. NO MATTER WHAT - DO NO TAKE HIS MARK!**

There is far too much to tell you in this brief letter. I have included with it a copy of the book of John from the Bible. This will show you the way to salvation. I have prayed for you!! I have prayed that this letter, and my bibles, videos and books will be kept safe until the right people can find them. Believe what you are reading! Seek the Lord, and you will find Him!

This is your last chance...at the end of 7 years – during which time, horrible things are going to happen on the earth, many will die....billions!! Jesus will return for the last time to the earth and ALL who still refuse him will be destroyed.

I beg you – do not be one of those! Better to lose your life on earth, which you will lose anyway, and gain Jesus! Find others who believe in Jesus – this will strengthen you! Study any Bibles you may find: the book of John will explain who Jesus is, Matthew 24 tells of the times that are coming on the earth, the book of Revelation describes the punishments the Lord will be bringing to the earth and the people. Look for Rapture sites on the web – they will not last long before they are taken down. Pray the Lord helps you, and stand firm with Him!

Seek the Truth! Help each other!! There are many even now praying for you to receive Jesus and therefore LIVE! CEJ
