

God, Orion, Egypt and the End of the World: Where is the Truth?

*The thing that has been—it is what will be again, and that which has been done is that which will be done again; and **there is nothing new under the sun.** Ecclesiastes 1:9*

We at the Barn firmly believe that God is the one who not only created all things, but also placed the stars and constellations according to His design - to be signs for all generations until the very end. We also believe that the enemy of all men - satan - is the great deceiver, the copycat of God's designs and plans. He has led his minions to corrupt the story behind God's message in the stars, and so few understand the true message in these last days, and many are misled to believe not only one lie, but many.

What we currently see arising - talk of a New World Order, of Aliens who "seeded" us here on Earth, of important Celestial alignments that predict the Doom of life on Earth - is indeed nothing "new under the sun", but only a re-emergence of an old, old corrupted theme. I want to focus particularly on Orion - the constellation and the mythological man - and trace how God's original, glorious message has been perverted, and is now being used to set up what might be the most devious deception in all of history.

Let's begin at the beginning.

What Does The Bible Say About Stars?

<http://www.horizonenergycorp.com/hpo/constellations/bible.htm>

1. **God made the stars.** *When I consider your heavens, **the work of your fingers**, the moon and the stars, which you have set in place, . . . (Psalm 8:3, NIV)*
2. **The stars have a purpose, both as signs and light:** *And God said, "Let there be lights in the expanse of the sky to separate the day from the night, **and let them serve as signs to mark seasons and days and years**, and let them be lights in the expanse of the sky to give light on the earth." (Gen 1:14-15).*
3. **God knows their number and their names. He determines the number of the stars and calls them each by name.** *(Psalm 147:4). Lift your eyes and look to the heavens: Who created all these? **He who brings out the starry host one by one, and calls them each by name.** Because of his great power and mighty strength, not one of them is missing. (Isaiah 40:26).*
4. **The stars are divided into constellations.** *The stars of heaven and their constellations will not show their light. (Isaiah 13:10).*
5. **The Bible names some constellations:** *Can you bind the beautiful Pleiades? **Can you loose the cords of Orion?** Can you bring forth the constellations in their seasons or lead out the Bear with its cubs? Do you know the laws of the heavens? (Job 38:31-32) See also Amos 5:8;*

6. **The stars have an order or procession.** Who is this that appears like the dawn, fair as the moon, bright as the sun, *majestic as the stars in procession*? (Song of Solomon 6:10).

God's Purpose for the Stars

In ancient times, signs were used as a witness of a special covenant either between God and mankind or between different peoples on the earth. In Genesis 9:12-13, God put a special sign in the sky.

*And God said, "This is the **sign** of the covenant I am making between me and you and every living creature with you, a covenant for all generations to come: I have set my rainbow in the clouds, and it will be the **sign** of the covenant between me and the earth.*

Observing the Sabbath was a sign of the covenant relationship between Israel and God (Exodus 31:16-17). On several occasions, a stone was a sign or witness of a promise (see Joshua 24:25-27; 1 Samuel 7:12).

*The constellations are also referred to as signs. (See Gen. 1:14-15, above.) They are somewhat abstract in form. In other words, they don't look exactly like what they represent. For example, the rainbow after a rain is a sign that God promises to not destroy the world again by water. **In like manner, the constellations bring to mind God's wonderful promises concerning the Messiah, His redeeming work, and his Bride, the Church.***

What's In A Name?

The ancient constellations (48 in all) are picture prophecies of Jesus, the Word or Logos, and are in harmony with the written Word of God. In fact, many individual star names are recorded in the Bible as appellations or attributes of Jesus. Just to get us started, here are a few: Arm of the Lord, Isa. 51:9,10; Chief Shepherd, 1 Pet. 5:4; Desired of all nations, Hag. 2:7; Governor, Matt. 2:6; Great shepherd of the sheep, Heb. 13:20, 27:24; King, Matt. 21:5; Lamb, Rev. 5:6,8; 6:16; 7:9,10,17; Light, John 8:12; Lion of the tribe of Judah, Rev. 5:5;

Prince, Acts 5:31; Redeemer, Isa. 59:20; Scepter, Num. 24:17; Shepherd, Mark 14:27. These names are components of larger pictures or constellations which tell a story.

Their Meaning from Ancient Times

*There are 12 major constellations. Their modern names, which tell us nothing of their original meanings, are in parenthesis. **Each major constellation has three other constellations associated with it which modify or complete its meaning.** They are called decans. Because of space, I will list only the major signs.*

The Incarnate Son (Virgo) Isaiah 7:14

The Redeemer (Libra) 1 Cor. 6:20

The Sufferer (Scorpio) 1 Cor. 15:55-56

The Conqueror (Sagittarius) Rev. 6:2

The Sacrifice (Capricornus) Romans 3:25

The Living Water (Aquarius) John 7:38

The Liberator (Pisces) Gen. 48:19; Mark 1:17

The Crowned Lamb (Aries) Rev. 5:6

The Judge (Taurus) John 5:22

The King (Gemini) Romans 1:3

The Protector (Cancer) Isaiah 4:5-6

The Victor (Leo) Rev. 5:5

*As mentioned previously, the names of the stars themselves give definition to each of the constellations. These names are preserved from the most ancient of times. In world history, we find the major signs of the constellations are the same in the meaning of their names and their procession in the **major civilizations of the world**. These 12 major constellations (or Mazzaroth, Job 38:32 KJ) mark a continuous circle (ecliptic) or line around the earth which today is called Zodiac, from the Greek word zoad and meaning The Way or A Path (John 14:6; Psalm 119:105).*

A Closer Look

I have chosen to illustrate Orion, Taurus and Eridanus. Orion is well known and can be identified by most people. It is visible in North America from October through March and dominates the evening sky with its brilliance. Since Orion and Eridanus are decans of Taurus and work as a group, we will look at all three.

Orion, The Coming Light

Orion is a mighty man with a club in his raised right hand and the skin of a slain lion in his left hand. His left foot is crushing the enemy. He wears a girdle around his waist from which hangs a sword. In the oldest illustrations of Orion, the hilt and handle of the sword

are drawn as the head and body of a lamb. From his raised foot flows a river (of fire).

Orion means The Coming Light (John 8:12; John 1:4-5; Isaiah 9:2). The brilliant star in his right shoulder is Betelgeuse and means The Coming Branch (Isaiah 11:1; Jer. 23:5). The star in his left shoulder is Bellatrix and means swiftly coming or suddenly destroying (Rev. 22:7). Rigel, the star in his raised foot means the foot that crusheth (Psalm 91:13-15; Romans. 16:20). A star in his belt means The Wounded One (Isaiah 53:5). Saiph, in his leg, means Bruised (Isaiah 53:5).

Taurus, The Judge

Taurus is not just a bull, it is the wild ox of long ago, a fierce, mighty and untamable creature (Job 39:9-10). With horns lowered, he is in the act of charging the enemy. Taurus portrays the power and glory of Christ coming as The Judge (Deut. 33:17; John 5:26-27).

The bright, reddish star in the bull's eye is Aldeberan and means The Governor (Psalm 22:28), Captain, or Leader. The bright star at the tip of the left horn is Elnath, The Wounded. Riding on the shoulder of the wild ox is the beautiful Pleiades, a circlet of stars meaning Congregation of the Judge (1 Cor. 6:1-3).

Eridanus, River of The Judge

Issuing from the foot of Orion, is a river of Judgment. This is an immense constellation. Star names include the after part of the river, flowing, and bent down. It has always been associated with fire (Daniel 7:10).

Putting It All Together

Look at the three constellations together and compare it to the following scripture:

His glory covered the heavens, and the earth was full of his praise. And his brightness was as the light; he had horns coming out of his hand: and there was the hiding of his power. Before him went the pestilence, and burning coals went forth at his feet. He stood, and measured the earth: he beheld, and drove asunder the nations; and the everlasting mountains were scattered, the perpetual hills did bow: his ways are everlasting (Hab. 3:3-6).

The Message Corrupted

All God's creation is good. God saw all that he had made, and it was very good (Gen. 1:31). It is also true that anything good can be used for evil. Satan's distortion of truth is evident through all ages. He is the Accuser and Deceiver. He has done his job well. In the Patriarchal age, nation after nation took the shapes (or images) from the stars, reproduced them in either stone or wood and worshipped them rather than our Creator. The Greeks corrupted the constellations into the legends and fables of their famous Mythology. Astrology today is another corruption of the original prophetic messages. Astrologers claim the stars influence your future; psychics claim to know your future. All such things are condemned in the Bible (Isaiah 47:13). There is only One who knows the future. It is not surprising that Satan is pictured in the constellations just as he is in the written Word. He is the Serpent, The Great Dragon, a Scorpion, a Lion, and Cetus, a horrible creature attending the fiery river of judgment. In every picture, he is conquered by the Redeemer. (See Rev. 12:9; 1Cor. 15:56; 1 Peter 5:8.)

While helping my daughter research a report on religions of the Bronze Age (the timeframe of the Israelite nation), I was struck by the number of idols (from many nations) that were duplicates of images from the starry heavens. **There is no doubt that the prophecies associated with the constellations were understood by nations at some point, but had been changed into self-made religions (idolatries). God Most High had been completely forgotten and ignored.** Maybe this is why it seemed so easy for Israel to fall back into the ways of the idolatrous nations surrounding them (Isaiah 40:18-26).

I was intrigued to find this quotation from an ancient Egyptian scribe, Ipuwer, from the reign of Amenemhet I (c. 1990 BC, approximately the time of Abraham). He speaks of *an even then ancient hope* of a Great One:

Remember . . . , it is said he is the shepherd of all men. There is no evil in his heart. . . . Where is he today? Does he sleep perchance? Behold his might is not seen . . .

Yet, this same nation revered their Pharaoh as a god-king and practiced all kinds of idolatries and fornications as part of their worship. **They and countless other nations suppressed the truth that was once known from the beginning. (Romans 1:19-23).**

A Christian Evidence

Scientists dig in the dirt of civilizations past, and Christians rejoice when the archeological and scientific records confirm the Biblical record. It doesn't matter whether you look through a microscope or a telescope, the facts of science will never disprove the Bible -- nature and the Bible have the same Creator and Author. Instead, the Bible shines as a light on the past (no matter how ancient) as well as the future. Should we be surprised that God's signature is written across the vastness of space as well as the tiniest of atoms? The starry evidence is circling continuously above us night after night. Not only is God's power displayed, but his purpose, too, from before the creation of the world (1 Pet. 1:20).

My hope for writing is to encourage others to learn the truth about God's heavens. Astrology is everywhere today -- in the newspapers, magazines -- whole shelves of books are devoted to it in bookstores. It is not a science; it is an invention of men, and idolatrous to those who put their trust in it rather than God (Matt. 22:37). **How much better to point to the nighttime sky and say, "That is Orion - this group of stars reminds us that Jesus is the Light of the World . . ."**

Psalm 19: 1-4 The heavens declare the glory of God; The skies proclaim the work of his hands. Day after day they pour forth speech; Night after night they display knowledge. There is no speech or language where their voice is not heard. Their voice goes out into all the earth, Their words to the ends of the world.

We see that God was the originator and designer of these things, and the message was for the salvation of the people, pointing to a future Conquering King -Jesus - who would rule the world in truth and justice. So...where does constellation Orion turn

into a person? And why was he so important in ancient history? Finally, what in the world do ancient myths and star constellations have to do with this modern age...and the end of the world? Let's keep digging and find out where things got off the track.

"The origins of pharaonic civilisation have always been shrouded in mystery. What caused dynastic culture to burst forth in the Nile valley within such a relatively short period of time? ... There is little evidence of kingship and its rituals very much before the beginning of the 1st Dynasty; no signs of the gradual development of metal working, art, monumental architecture and writing – the defining criteria of early civilisation. Much of what we know about the pharaohs and their complex culture seems to come into existence in a flash of inspiration."

David Rohl, *Legend – the Genesis of Civilisation*, 1998, p.265

Ancient Egypt gave great attention to the constellation Orion, because it would arise in their sight just before the flooding of the Nile River - which gave them life. This caused them to liken Orion with their god, Osirus, who controlled all matters of life and death. But, where did the god come from? What tore the ancient people's attention away from the Creator? And how does a complex culture just "happen"?

The **Nephilim** were in the earth in those days, and also after that, when the sons of God came unto the daughters of men, and they bare children to them: the same were the mighty men that were of old, the men of renown. Genesis 6:4

The Book of Enoch elaborates on who these Nephilim were:

*And it came to pass when the children of men had multiplied that in those days were born unto them beautiful and comely daughters. And the angels, the children of the heaven, saw and lusted after them, and said to one another: 'Come, let us choose us wives from among the children of men and beget us children.' And Semjâzâ, who was their leader, said unto them: 'I fear ye will not indeed agree to do this deed, and I alone shall have to pay the penalty of a great sin.' And they all answered him and said: 'Let us all swear an oath, and all bind ourselves by mutual imprecations not to abandon this plan but to do this thing.' Then swore they all together and bound themselves by mutual imprecations upon it. **And they were in all two hundred; who descended in the days of Jared on the summit of Mount Hermon, and they called it Mount Hermon, because they had sworn and bound themselves by mutual imprecations upon it. And these are the names of their leaders: Samîazâz, their leader, Arâkîba, Râmêêl, Kôkabîêl, Tâmîêl, Râmîêl, Dânêl, Êzêqêêl, Barâqîjâl, Asêêl, Armârôs, Batârêl, Anânêl, Zaqîêl, Samsâpêêl, Satarêl, Tûrêl, Jômjâêl, Sariêl. These are their chiefs of tens. **The Book of Enoch, chapter 6*****

In Erin's dream The Glory Dream II God explains how these Fallen affected the world:

The angel pointed for me to focus again through the crevice on the Sea of Glass below to the Earth. I saw Adam and Eve have offspring and multiply. From my vantage point, very quickly, from Earth's perspective, several hundred years. During this time, I saw these

fallen angels trying to find a way to get back to Heaven. They wanted to appeal to God. God's ears were not open to their cries. One of the angels, not Satan, governed over the area that had a larger population of the offspring of Eve. The women in this area, Eve's daughters, were beautiful in appearance, kind and joyful. This angel was attracted to one of the daughters of Eve. I saw this beautiful angel turn his thoughts to more. Every day he watched her. He thought to himself, "If God has not allowed us back and we are to roam this earth until the days of God's decisions concerning our fate, then I will take this woman as if she were created by my rib. Then I will become more like them, in which the Lord loves! So he gathered up all 20, except Satan, and said "Let's take these women to be our wives and create our own race, which the Lord too might come to love. Then the Lord might be merciful and love both us and the children born unto us." The angels agreed together by an oath.

Even though the snake had betrayed Eve and the Lord said that there would be conflict between the two for eternity, they still continued to disobey God and look toward women; **when the angels did this forbidden thing, the last bit of Holiness that was upon them left. The favor of the Lord and their ties to Heaven and Eternity were now subject to death and severance. The angels became corrupt. They then corrupted the daughters of Eve. I saw angels using their gifts to change the course of mankind adversarially.** The angels in their union with women created hostility. The angels began to despise them.

Satan was not interested in women and therefore did not participate with the 20 and their followers. His plan had the same goal just a different course.

These are the skills, or crafts that the Fallen Angels began to use so that they would be worshiped by man as gods: The result of this was just the opposite effect of Heavenly Worship.

- **I saw one angel teaching Make-up, adornments, beautification.** – This created vanity, envy and jealousy – to destroy and eventually lust and prostitution.
- **I saw one showing man how to create metal and form weapons** for harvesting but mostly for war. To war against each other and destroy each other.
- **I saw others creating healing sources from plants, flowers and roots.** This so man could heal themselves and no longer need to cry out and depend upon the Lord for healing! This was the beginning of Pharmaceuticals and medicine. Drugs, Addictions, Dependence, and Death – this angel's gifts have eventually morphed into blood and genetics testing, diseases and the likes.
- **I saw another teaching, the maps of Heaven or the Stars.** This angel made the stars into graven idols to the fallen....thus worshiping the stars, leading to worshiping deities and then Gods or images of themselves....The Stars were another Heaven and became a veil that humans could not see beyond to the God of Heaven who could Hear them, turn and save them. This practice was the beginning of Astronomy (good), to Astrology the worship of the Gods or Fallen. Then the plan of the fallen was for man to then depend on the stars and the worship of other Gods... thus no longer needing the God of All Creation! Deceptions.
- **I saw another with the gift of fiber works.** The ability to weave fine linens and to place each person and separating their shamefulness with division of class according to clothing. Destruction through class, position, pride and vanity... also from this power.

• **Another was like a magician and could manifest things, conjure up images, creating miracles and illusions.** This created fear and the worshiping of self-governing of miracles. This was the beginnings of witchcraft and magic. Worshiping of demigods with the illusion or appearance of power.

• **Another was a builder and architect of structures.** This angel had been special in Heaven and this was a gift that God had delighted in. This angel erected a building to edify him self and he taught the humans to worship him and began the roots of slavery. His plan and the others were to build temples of honor to themselves where people could travel to worship them. They would also erect tall buildings high enough that they could reach to Heaven. By teaching the humans and the offspring of angels, then they could overthrow Heaven. They wanted immortal shrines, so that the humans would be distracted and go to them for worship not God.

• **Another was the Creator of complex government and Order, the structure of wars, cities, states, regions, and tribes.** Order and organization. This was also a part oppression, slavery, and rule. Out of this became monetary exchange, trading, taxes and gambling. This angel held the interest of satan the most. These two were in unison together. Evil needed structure!

• **Another angel taught weights and measures, calendars, clocks and related items to record or measure days.** This angel grieved and measured the days as instructed by God after the fall, the angel kept track of the new order of time, the measure of weeks, months, years. The depth and height of things. This angel had the skills of mathematics and began to record the days until the permission was granted and the Lord would begin to execute judgments.

• **Anther angel taught communication through language, writing of records, drawings, symbols and codes.** This angel eventually brought technology and the further and swift decay of pornographic, the internet and the eventual access to homes without needing a key. This angel could get inside the mind of humans and destroy them from within.

These were just some of the gifts that were taught to the humans granted to the angels by the Lord, there were many more and **each of these angels exchanged their knowledge to others creating a web of authority and the worship of the fallen by the humans.**

The women bore sons from these angels that were giants and consumed more than the land contained. They had appetites of lust of the eyes and of blood. They were devourers of the land and all that was in it. The angels were forbidden to share with mankind the secrets of Heaven. Therefore with their children being an abomination to the Lord, the advance of evil had become so pervasive that the Lord had to intervene. Everything was dying and corrupt.

It's easy to see from these sources where men were deceived away from God, and where the source of the "myths" of the "mighty men of old" was! It's also easy to see how the first ancient civilizations - the Sumerians and Egyptians - "sprang" into being with understanding of things not usually associated with ancient mankind.

These fallen angels not only had the ability to do supernatural things, their children almost destroyed all of creation. Hence, Noah and the Flood - and God re-cleansing the Earth. Scripture tells us these Nephilim were also present AFTER the flood. It's no wonder the ancients "created" their gods to act and look like they did!

Soon after the flood, the Bible records the beginning of a person named Nimrod. He is described as a 'great hunter before the Lord' - but further examination of the original language and other texts makes it clear that he was no normal man, but rather a giant - just like in the days before the flood. To the ancients he was known as:

- Gilgamesh, Baal, Melqart, Adonis, Eshmun, Dumuzi, Dionysus, Bacchus, **Orion**, Mithra, Apollo, Ra, Tammuz or Osiris

*The Bible tells us about one of the things Nimrod did that made him famous. He was the one who orchestrated the building of the Tower of Babel. According to the Book of Jasher, Nimrod led a team of three camps, each with a special mission to accomplish with the completion of the Tower. One camp intended to kill God. Another intended to strike Him with bows and spears. The third planned to set up their false gods and worship them in Heaven. **So what we see here are the attributes of the first Anti-Christ. He wanted to kill God and set up a One World System, with himself as God.** But when God saw all that they intended to do, He decided to do something about it.*

*...The first thing we must realize is that the Tower of Babel was not just a tall building. God didn't freak out when we built the World Trade Center buildings. No. **Nimrod was building what we might call a "Stargate" today. The Tower of Babel was literally a portal through which Nimrod intended to reach into Heaven.** From that text it would seem that Nimrod's plan was possible - at least in the sense of "reaching into Heaven." We know that we can't build a building that is high enough to literally enter into the "Third Heaven" where God dwells, therefore something else must be meant by this. Somehow, Nimrod and his people created something that could "bridge" our world and that of the Heavenly realm. But God put a stop to it. He confounded their speech and separated the people of the earth.*

...Earlier, I said I wanted to focus on two names in particular; Gilgamesh and Osiris. Let's start with Gilgamesh. The Epic of Gilgamesh is one of the oldest stories ever written. Many people have made the connection that Gilgamesh is just one of many names for Nimrod. [David Livingston does a good job of making the Nimrod-Gilgamesh connection](#), and the Internet is literally loaded with information and resources that testify to the two names representing the same individual.

*He is often depicted as a giant. We can see in the picture to the left that he is holding a lion under his arm! **The ancient text also makes the statement that he was "2/3 god and 1/3 man."** This would certainly seem to support the "Nephilim genetics" case I'm making regarding the children of Ham.*

Osiris is a VERY well known character in both history and mythology. He plays a

*prominent role in secret societies and even in our own government. **But more than that, I believe he is the central character we need to look at when it comes to understanding the times we live in and what is to come in the near future.***

This same author believes the import of Nimrod, Orion, etc. is even more important:

...Let's take a closer look at this "Beast." Revelation 17 confirms once and for all who the End Time Anti-Christ is going to be. Further, I will show you what I believe to be absolute proof, straight from the lips of Jesus that seems to confirm this theory.

Revelation 17 is where John sees the vision of the Beast with seven heads. He is confused as to the meaning of this vision, so the angel tells him what it means.

The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is. And here is the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth. And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space. And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.

- Revelation 17:8-11 (KJV)

[emphasis mine]

*The Beast that was introduced in Revelation 13 is described here in Revelation 17 in more detail. **So here we have the "guardrails" or boundaries within which we must stay when considering who the Anti-Christ was, is and will be.***

Note that the angel describes the seven headed beast by saying first that we must have wisdom when looking at it. In other words, we are challenged to think this through. The angel then goes on to say that there are seven kings that we need to pay attention to. In context, the creature described here is one with seven heads, meaning there have been seven individuals in history that were all of one "body" - that of Anti-Christ. The angel tells John that five have fallen, one currently is (at the time of John) and another will come, but reign only for a short time.

Peter Goodgame believes the following individuals represent the seven "heads" of the Beast (and I tend to agree).

- 1. [Nimrod](#) - without a doubt, he is the first anti-Christ figure described in the Bible.*
- 2. The [Pharaoh of Egypt](#) (at the time of the Exodus) - again a man arose, thinking himself to be a god and whose motives were to enslave and wipe out the children of the One True God.*
- 3. [Sennacherib](#) - the king of Assyria who also thought himself to be a god and who sought to rise up against the Holy One of Israel... [only to instead be humbled by the Lord and sent home - where he was murdered by his own sons.](#)*
- 4. [The king of Tyre](#) - another king first described as a man [who thought himself to](#)*

[be a god, then described as Lucifer himself in the Bible.](#)

5. [Antiochus Epiphones](#) - set up an alter to Zeus in the Holy of Holies and offered up a pig as sacrifice creating an abomination in God's Holy Temple. [This of course foreshadows what the last Anti-Christ will do in the Third Temple.](#)

Those are arguably the most likely candidates for the "five (who) have fallen."

6. There is some debate about the one who "now is." The identity of this person depends on when John actually wrote the Book of Revelation. It must have been Caesar. But which Caesar was it? [Nero](#) or [Domitian](#)? The belief I hold to is that it was Nero. He most definitely fits the description of a demon possessed madman, hellbent on destroying God's people.

7. The one who "has not yet come" and shall reign for a short period of time, I believe has to be [Adolf Hitler](#). Again, he definitely fits the description of a demon possessed, viscous world leader who blatantly stood in the face of God. Hitler murdered millions of the Holy One of Israel's people, and he did so in the manner of Luciferian, occult, ritualistic-like fashion - including massive human sacrifice. **If he is just a foretaste of what's to come, the last Anti-Christ will truly be a monster, a "weapon of mass destruction" unlike anything ever seen before!**

So, here we have all seven (most likely) candidates from history. These are the seven heads of the Beast. But notice the next verse, that very few Bible scholars ever seem to pay much attention to:

And the beast that was, and is not, even he is the eighth, and is of the seven...

It says that the Beast that was, and is not (and yet shall be) is the EIGHTH who is OF the SEVEN. Actually, the terminology of "was and is NOT and yet shall be" is mentioned a few times in Revelation 17. I believe this is there for those who "have wisdom" to take notice. First of all, it is the antithesis of the description for Jesus in the first few chapters as the One who "was and IS and is to come." Second, it fits the numerous beliefs of the ancient world concerning their dying and resurrecting sun god. But the fact that Revelation 17:11 says that he is "of the seven" means the last and most (in)famous Anti-Christ has to be one of the seven listed above... and will probably embody the traits of all of them combined!

Now, if we look at the description of Revelation 13 again, we find that this individual had a mortal head wound that was miraculously healed. So, looking at the list above, we need to ask which of these had a mortal head wound?

1. **Nimrod** - Yes!

2. **Pharaoh of Egypt** - No!

3. **Sennacherib** (king of Assyria) - No!

4. **King of Tyre** - No!

5. **Antiochus Epiphones** - No!

6. **Nero** - Yes! (sort of) It is said that [he stabbed himself in the throat.](#)

7. **Hitler** - Yes! (sort of) History says he shot himself in the head, [but recent DNA, forensic evidence seems to suggest otherwise.](#)

But for the sake of argument, let's say we have 3 out of 7 who fit that description:

1. Nimrod

2. Nero

3. Hitler

Now, which of those three is an Assyrian who has any connection to Babylon? Only one. Nimrod.

Note: While Sennacherib was indeed Assyrian, he never had a mortal wound to the head.

Even if the above list of "candidates" is not accurate, I believe a very strong case can be made for at least the first and the last names on that list. We can debate all day long about the rest. **The bottom line is, no matter what list you put together for the seven, no person in the recorded history of this planet fits ALL descriptions for the Anti-Christ better than Nimrod. And if we were to apply Occam's razor, "the simplest explanation is more likely the correct one" to this analysis, I believe the results would speak for themselves.** So, we can forget any and all notions, theories and/or ideas regarding any current political figure walking this earth. Obama is not the Anti-Christ. Neither is Ahmadinejad, Osama bin Laden, Putin, Prince William or anyone else. No other actor on the world stage fits the part better than Nimrod.

Perhaps the biggest and most recent revelation concerning Nimrod as the Anti-Christ is the "coincidence?" concerning his "percentages" as a god-man. My wife and I were discussing something this morning and she kept talking about the ratio of two-thirds. All of a sudden, another piece of the puzzle fell into place!

"This calls for wisdom. **Let the person who has insight calculate the number of the beast**, for it is the number of a man. **That number is 666.**" - Revelation 13:18 (NIV) [**emphasis mine**]

Notice how the *Epic of Gilgamesh* states that he was 2/3 god and 1/3 man. Right there you have two extremely important number percentages. One third is (approximately) 33.3%. In the Illuminati and in Secret Societies in general, 33 is a significant number - and one we will deal with a lot more In the blog I've titled, "[Jesus By The Numbers](#)" (coming soon). In that section, I will show the significance of the number 33 as it pertains to the Nephilim, to Jesus as well as to the rise of the Nephilim and their Anti-Christ. More on that later. Now, as to Nimrod/Gilgamesh's other percentage, you probably already know where I'm going with it. Yes. Two-thirds. If we "calculate the number of the beast" with that "insight" in mind we end up with approximately 66.6% or **666!**

All right, let's bring it all together now. We've already built a case for worldwide worship of this man by many other names. He was considered a "god-man" by many cultures. Part god-part man? Hmmm. Where have we heard that before? Jesus Christ is both God and man. Both were called "*the King of kings and Lord of lords.*" Both have a cross as a symbol. Both are known as a dying and resurrecting figure (though Nimrod has yet to do so). One is the Christ. One is the Anti-Christ... whose "god-number" just so happens to calculate out to 666.

Let's turn now to the present. The author of the above passages, Rob Skiba, concludes his thoughts with a startling speculation. Keep in mind that this was written in 2011, and much has happened since then!

Babylon was where the first "World Order" without God was attempted under Nimrod. [Will the first be the last?](#) The Bible talks about it rising again. President Bush Sr. was obsessed with the idea - especially after the first Iraq desert party was "over." After Desert Storm, it seems like everyone was talking about a New World Order and the need to embrace it. A lot has happened since then, and a lot more still has to happen. But ultimately, it is my strong belief that the NWO's headquarters will be located in Babylon. So, how will it happen?

...In summary, the following is a timeline for what I believe has happened and what will happen to usher in Babylon's rise to power once again.

- *On September 11, 1990, President George Bush (Sr.) announced his plan for a New World Order*
- *In 1999, Zahi Hawass discovered the **Tomb of Osiris**.*
- ***In April of 2003, archeologist digging in Iraq claimed to have found the Tomb of Gilgamesh.** A month later, the U.S. moved into Iraq under pretense of finding "weapons of mass destruction." As everyone now knows, we did not find weapons. But I do believe we found A weapon of mass destruction. We found Nimrod himself! And in case there are any doubts, consider the fact that one of the first things our troops did when they entered Iraq was raid the museum of Baghdad. What? That's right. [We plundered a MUSEUM!](#)*

The museum was the victim of a carefully planned assault. The thieves who took the most valuable material came prepared with equipment to lift the heaviest objects, which the staff could not move from the galleries, and had keys to the vaults where the most valuable items were stored. Not since the Nazis systematically stripped the museums of Europe has such a crime been committed.

What did they take? That is up for speculation at this point because it is classified. But one web site brings up this juicy tidbit of information:

*On June 7, 2003, U.S. authorities announced that **world famous treasures of [Nimrud](#)** were recovered **from a secret vault in Iraq's Central Bank.***

*[remember who was in charge of the whole central bank?] The artifacts included necklaces, plates, gold earrings, finger and toe rings, bowls and flasks. Officials said that of the **170,000 items** initially believed missing, just **3,000** remained unaccounted for. And, of those, 47 were main exhibition artifacts. [7]*

[emphasis mine]

*Notice how the trivial things like plates and earrings were "discovered" and returned. Oh, aren't the Americans great!? How nice and noble of them to seek out and return those "national treasures" to Iraq. But what about the **3,000 unaccounted for items**?*

All we know is cuneiform tablets were a hot commodity. My personal

theory is they were looking for anything and everything to do with the "portal technology" that was the Tower of Babel - especially considering that some of the items stolen were from the "world famous treasures of Nimrud." These "blueprints" could prove incredibly useful - especially now that they had the guy who built it!

On one of his [on-line blogs](#), Tom Horn adds some further intrigue to this whole scenario (especially considering what I wrote about in the [first blog](#)):

*Isaiah... says, "open the gates, ye ruler," ...whoever this ruler is, he opens "gates" in Iraq/Babylon through which end-times giants (gibborim) return to the surface of earth as agents of God's wrath. Noting that Isaiah ties the destruction of Iraq/Babylon with the reappearance of gibborim in this way, we recall how **thousands of U.S. troops, on invading Iraq during the Bush administration, admittedly filled U.S. containers with archaeological materials, including what some have speculated to be cuneiform tablets pointing to the location of pure-blooded Nephilim buried in underground caves.**[8] This is exactly where Enoch said the dead antediluvian Nephilim are, and raises fascinating questions: Would agencies like Darpa have interest in studying or cloning the extinct beings if they were, or have been, found? **Could man in his arrogance revive ancient dna, revitalizing or blending it with other living organisms in a way similar to what the Watchers did in making the first Nephilim?** Is the factual reappearance on earth of such legendary beings verified by Isaiah, who also foresaw transhuman creatures such as satyrs (transgenic half-men, half-goats) accompanying the return of giants in the end times, or why other apocryphal books like 2 Esdras 5:8 prophesy the birth of "monsters" for the same period of time?*

*Some may be shocked to learn that in addition to the citations above, the Bible actually describes an ultimate end-times spiritual warfare between the "mythological gods" and Christ. "The Lord will be terrible unto them: for he will famish all the gods of the earth" says Zephaniah 2:11. "The Lord of hosts, the God of Israel, saith; 'Behold, **I will punish the...gods**'" (Jeremiah 46:25). [emphasis mine]*

- ***On December 21st, 2010, on the birthday of Nimrod, his nation was "born again" out of the ashes like a Phoenix. A blood red moon floated above Orion's shoulders like a decapitated head above his heavenly body, to herald this event ...These are all significant signs. And the earth shook in response!***

Remember what Jesus said in Matthew 24:24-28?

*"For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect. Behold, I have told you before. (In other words, PAY ATTENTION!) Wherefore if they shall say unto you, Behold, **he is in the desert**; go not forth: behold, he is in the **secret chambers**; believe it not. For as the lightning cometh out of the east, and shineth even unto the west; so*

*shall also the coming of the Son of man be. For wheresoever the **carcase** is, there will the **eagles** be gathered together."*

The "carcase" of Gilgamesh may have been found in the "desert." The "secret chamber" known as the Tomb of Osiris has been found. The United States "eagles" are heavily entrenched and invested in the home town of Nimrod.

A lot of "signs" are pointing to December 21, 2012 as the date of a significant event. Could that be the day the angel opens the "shaft to the bottomless pit" and releases the spirit of Apollyon (aka Apollo) to re-inhabit its former host body? [Is this "resurrection" even possible?](#)

*The Illuminati started with Nimrod in Babylon. It has all come full circle for this same nation to rise to global super power status, nearly over night. ... **I believe Nimrod will resurrect on December 21st, 2012 (Note: obviously this didn't happen at that time. However, note the passage from Erin's Dream below!) and the world will be astonished at this "Beast" of antiquity rising out of the water encompassed "secret chamber" as the god-king, of which nearly every culture on the planet has a memory. It may be accompanied by a significant "UFO" event. ...As I said at the very beginning of this blog, I could be wrong about all of this. Do your own research. I've done mine and these are the conclusions that I have come to as a result.***

Watch and pray. Be ready and look up... so much the more as you see the days approaching! <http://www.seedtheseries.com/blog/BR105.html>

The Path Dream #32

Dream begins...

His hand pulled me through the portal today. I was on the ladder but I hadn't seen the battle conditions today. He saw that I was surprised. He had a big smile and gave me a hug.

HIM: "I'm glad you came to me with these questions! I take it you are ready for answers?"

Me: "Yes, please I need help!"

HIM: "Come, let's see what I can show you." He walked me over to the balustrade. As I looked over I saw the first and second Heavens from the moon's vantage point. There was earth in 3D.

The angel stood to my left with the plumb line. I saw the plumb line rotating counterclockwise. I saw the order of the events the media has focused on. **Egypt was the starting point. I saw the ancients. I saw the deep history of the area. I saw several fallen angels fall to this point. They erected shrines to themselves; they taught the natives of the land the deeper secrets of Heaven. One had deep knowledge of the stars. I saw him mapping these stars with lines and registering these as markers. I saw him marking a peculiar event.**

Me: "Lord he is marking the time of your birth – but now. I don't understand. Why am I being shown this?"

HIM: "So you understand the root of these fallen. They had wonderful talent. They had skills far more advanced than the culture in the land could comprehend. They became self-edifying erecting monuments to themselves therefore mocking God." "My Father created them and He was grieved by their arrogance. When my Father would no longer tolerate them, He confined

some to the pit and the others to roam to and fro throughout the land.”

Me: “They have changed, they are no longer beautiful!”

HIM: “Yes, you saw them in the beginning just now and then when My Father was no longer going to put up with them; they became the darkest of entities. No longer from Heaven but of the way of the earth.”

Then He waved at the angel and the angel switched the direction of the plumb line. The line was moving across the equator and to the west. I saw more temples. The Mayan, the Aztec and two more temples were closely situated on or near the equator.

Me: “Lord, help me to understand.”

HIM: “These were the areas they chose to claim”

Me: **“So all of these pyramid-like structures were created by the Fallen?”**

HIM: “Yes, to further provoke my Father, they sacrificed innocents, preformed blood rituals, displayed perversion of every kind and they cursed the land. Further they cursed my Father!”

I then saw lines drawn upon a grid pattern across the earth. These grids formed territories. These territories were divided amongst them and they remain the rulers over these areas today.

ME: “Why is this important now?”

He then showed me this complex type of calendar – and angel with a scroll stood **there I saw a different date from the 21st of December. The date was closer to Christmas. Then He opened the veil so I could see. From all of these points evil of every kind began to unleash punishment over the land. I saw these fallen commanding earthly armies to invade North America.** “Lord is this real time?”

HIM: “Yes, remember the 3 day rule I taught you in the dome?”

ME: “Yes, but we need to be out of here. We can’t be here for this. Remember when You told me that you would not allow your bride to be bruised and battered at the wedding. Correct?”

HIM: “Yes, this is what I said but it doesn’t mean you will be immune to the suffering of others.”

He showed me missiles being launched in the night hours. These missiles were being launched on a day we would be off-guard. I saw all of the perimeter cities of the North American continent being destroyed. I saw communication knocked out and whole power grids being obliterated. I saw darkness and cold. I saw mourning and wailing like nothing before. I saw invading armies warring with the remnant of the armed forces inland. I saw swarms of people like locusts fleeing to the center of the country. I saw citizens of other countries in our own cities turning away people at gas stations and grocery stores. I saw most of the food being contaminated. It happened so quickly. It came like a flood, like a thief, millions were gone. People were cursing God!

Me: “Lord, are you coming on a different kind of cloud?” “Are we part of the missing millions or so?” Please Father?” “This is a very difficult thing to see.” “Am I dreaming wrong?”

HIM: “I will come on the clouds” **But, do you not see that this date was a marker? This was a time that a certain permission had been granted to the rulers of this earth. This was the beginning of a new time for the earth.** “This was

foretold and is written”. “The signs are also in the stars.”

We do not know the form that the spirit of Nimrod/AntiChrist will take: a man? an "alien"? We DO know this: the ONLY way to escape the coming deception of the Anti-christ and the power of the fallen is to place your life and your trust in the hands of the True God and His Son, Jesus Christ! Time is very short! Today is the day of Salvation!
